

Nimbus Hosting Complaints Procedure

The Nimbus team are passionate about what we do, and we are committed to delivering the best hosting experience possible for our clients. We appreciate all feedback, good and bad, so if you have any comments about the service you have received, we'd love to hear from you.

If you have any complaints about the service you have received from us, we'll look to address them swiftly and efficiently.

Step 1: In the first instance we would like to try and deal with any issues when they arise, with the member of staff with whom you first raise the issue with. If this fails to reach a satisfactory resolution we'd like to hear from you as per step 2.

Step 2: Please email us at complaints@nimbushosting.co.uk or write to us at:
