

Payment & delivery policy.

VPS, Cloud Services and Backup Services

All VPS and Cloud Hosting packages require upfront payment. The service will be delivered within one business day.

Dedicated Servers

All Dedicated Servers require upfront payment. The service will be delivered within five business days although in most cases delivered much faster.

Domain Registrations and Renewals

Domain registrations and renewals will be performed within a day although are usually performed within an hour.

Should there be an unexpected delay we will inform you by email as soon as possible.
